Objective : Pushing source code into GitHub and collaborate team members

Section-3

Pushing assignments to remote repository

The screenshot shows a web browser with multiple tabs. The active tab is a GitHub repository page for 'Yaminimaheswari/freshersbranch-oct16/tree/master'. The page displays the repository's state, including a message that the branch is 14 commits ahead and 1 commit behind main. A list of recent commits is shown, with the most recent one by 'Yaminimaheswari' committing a 'jss_assignment' file. Below the commits, the 'README.txt' file is visible, containing the text 'Assignments(CSS,HTML,JSS) have to completed in time'. The right sidebar shows repository statistics: 0 stars, 1 watching, and 0 forks. It also includes sections for 'Releases' and 'Packages', both indicating no published content.

master 2 branches 0 tags

This branch is 14 commits ahead, 1 commit behind main.

Section 4

Pushing source code to remote repository using Eclipse Git plugin

The screenshot shows a web browser with multiple tabs. The active tab is a GitHub repository page for 'Yaminimaheswari/myappsample'. The page displays the repository's name, a search bar, and navigation links like 'Pull requests', 'Issues', 'Marketplace', and 'Explore'. Below the repository name, there are buttons for 'Pin', 'Unwatch' (1), 'Fork' (0), and 'Star' (0). A navigation bar includes links for 'Code', 'Issues', 'Pull requests', 'Actions', 'Projects', 'Wiki', 'Security', 'Insights', and 'Settings'. The main content area shows the commit history for the 'master' branch of the 'myappsample / Sampleproject' directory. A table lists the commit details, including the commit message, the commit hash, the time, and a link to the commit history.

Commit Message	Commit Hash	Time	History
Yaminimaheswari Committing a file	3bcc2a8	yesterday	History
..			
.settings	Committing a file	yesterday	
src	Committing a file	yesterday	
.classpath	Committing a file	yesterday	
.gitignore	Committing a file	yesterday	
.project	Committing a file	yesterday
